

PRINCETON AT WHEELING.

It is quite probable that the famous Princeton foot ball team will play in Wheeling this season. Manager Cutright, of the West Virginia University team, telephoned to Wheeling gentlemen yesterday, that he had received an offer from the Princeton boys for a game to be played wherever the West Virginia University shall decide. Manager Cutright asked whether Wheeling would give enough encouragement to have the game played here. This the local people were unable to settle yesterday, but during the remainder of the week an effort will be made to have public spirited gentlemen subscribe to a guarantee fund large enough to bring the black and orange of Princeton and the old gold and blue of West Virginia together on the state fair grounds gridiron. The Princeton people are rather steep in their terms, wanting a guarantee of \$1,500. Last year when University of Pennsylvania and P. A. C. played at Pittsburgh, the guarantee was only \$1,000, and there is no reason why Princeton should have a larger guarantee.

The West Virginia University team this season will be undoubtedly the strongest that has ever worn the "Hunting" colors. This fall the boys are varying the benefit of the coaching of Trenchard, the famous Princeton half-back. The team will open its season next Saturday at Morgantown, bucking up against the strong Latrobe (Pa.) Athletic Club, the strongest team in Western Pennsylvania outside of the colleges.

Cleveland's Great Finish.

CLEVELAND, Sept. 15.—Wallace was easy for the Colts, but Wilson did much better. In the last half of the ninth with the score 6 to 2 against Cleveland, Childs was given his base on balls after two men were out. McAlister hit for a base, Zimmer rapped out a two-bagger and McGarr singled which tied the score. McGarr got to third on Everett's wild throw and then Anson persuaded Emslie to call the game on account of darkness. Tebeau kicked. Attendance, 1,000.

Colonels Defeat Browns.

LOUISVILLE, Sept. 15.—Louisville closed the season at home to-day, defeating the Browns in a game that was marked by heavy hitting by both teams. Donohue was knocked out of the box in the fourth inning and Herman retired after the seventh. Dowd was put out of the game in the fifth for objecting too strongly to one of Umpire Lally's decisions. The batting of Dexter and McCreary was a feature. Attendance, 1,500.

NO GAME YESTERDAY.

Washington and Wheeling will play two games this afternoon.
On account of the wet grounds there was no game yesterday afternoon between the Wheeling and Washington Inter-state league teams. This afternoon there will be two games for one admission. The first game will be called at 2 p. m. and the second will be started immediately upon the conclusion of the first. The Washington pitchers will be McVaine and Dinsmore, and for Wheeling Umpires, Baker will probably officiate in the box.

Races at Moundsville.

The race meeting under the auspices of the Moundsville Gentlemen's Driving Club, which was to have opened yesterday afternoon, on account of the rain, which made the track unfit for an enjoyable afternoon of sport. Yesterday's programme will be run off to-day and the meeting will conclude Friday instead of Thursday. A large number of Wheeling people will attend the races. Many of the best horses that raced at the state fair last week are entered at Moundsville.

Belle Bramble Won.

CINCINNATI, Sept. 15.—Belle Bramble won the Pearl stakes at Oakley today. The stake was for two-year-old fillies and was worth \$2,000, \$2,000 net to the winner. Track heavy.

Corbett and Fitz.

LONDON, Sept. 15.—A meeting of the directors of the National Sporting Club will be called early next week in order to consider the suggestion made to the club of offering a purse for a fight between Corbett and Fitzsimmons. It is believed that the club on the whole is favorable to the idea.

May be Arrested.

NEW YORK, Sept. 15.—Chief of Police Conlin has received the advice of placing James J. Corbett and Robert Fitzsimmons under arrest. The testimony will be required of those who were present at the meeting between the two men last Saturday, when it was agreed that they should fight for \$10,000 stake, to a finish, before the club offering the largest purse. This he considers a violation of the law. Chief Conlin said to-day that he was excited in gathering evidence and if sufficient, the two men will be placed under arrest.

A Successful Meet.

PITTSBURGH, Sept. 15.—The state fair meet of the League of American Wheelmen, which just closed in this

city, it is claimed was the most successful in substantial results of any state or national meet in the history of the L. A. W. Immediately preceding and during the meet over 600 applications for L. A. W. membership were forwarded to Secretary Haselett from Pittsburgh and vicinity.

ABOUT PEOPLE.

Strangers in the City and Wheeling Folks Abroad.

Miss Cora V. Bower, has returned from Pittsburgh, where she was visiting friends for a few days.

Mr. Charles Hartsman, of the Schmulbach Brewing Company, leaves for a three week's visit to Mt. Clemens, Mich.

Mrs. Hubert Villworknee Miss Kohn, arrived from Cleveland yesterday and will spend a few weeks with her brother, Mr. John Kohn, of the South Side.

District Passenger Agent D. C. MacWatters, of the Pennsylvania lines, was here from Pittsburgh last evening, and greeted his many Wheeling friends. At the same time he put in some "licks" for his road.

A DIZZY FAKE

Published in a Pittsburgh Paper—Some Corrections Made.

The Pittsburgh Dispatch printed a dizzy fake in yesterday's issue, concerning a Wheeling saloon and an alleged murder that occurred there, and the News copied it, adding that the article in the News was true. The fact of the matter is that the writer of the article had either a vividly imaginative brain or was taken in by a fakir of the worst type.

The fact is Joe Fahey never worked at the place named, until over a year after the Fleming murder trial had been settled. Woodson never worked for the Italian Gorman never worked in the house before or after the occurrence. Fahey shot the young lady accidentally a year before Fleming died, and it was the same shot that cut out the young man's eye referred to. The story is a fake pure and simple and while the Dispatch is excusable for printing it, the News should have investigated the facts before giving space to the story.

A BRAKEMAN KILLED

Near West Alexander Yesterday Morning Fell Off His Train.

William Bessford, a Baltimore & Ohio brakeman, whose home is at Glenwood, near Pittsburgh, was run over by a train near West Alexander Station, and within a few yards, of the West Virginia state line, between 2 and 3 o'clock yesterday morning, and his injuries resulted fatally, his death occurring at a few minutes after 4 o'clock. The particulars of the accident are unknown, as he never recovered consciousness, but it is supposed that he fell from his own train. The remains somewhat mangled, were taken to a West Alexander undertaking room and later to his home at Glenwood.

A Useful Business Man.

Speaking of Mr. Harry Frank, now a member of the Wheeling wholesale firm, the Kraft-Frank Company, the Logansport, (Ind.) Journal has the following:

Last night at 11:30 o'clock closed the honorable business career in Logansport of one of Logansport's most substantial business houses, that of Harry Frank. For thirty-seven years Mr. Frank was established here in the clothing and furnishing trade. He was also in business twenty-seven years at Delphi, and four years at New York, one year at Flora, already over a year at Wheeling, W. Va., his future home. Beloved and honored at home and abroad, Harry Frank has established a reputation second to none. His friends can say for him that his word has always been as good as his bond. There was enough confidence reposed in him that at one time he was treasurer of five different lodges and orders. In all the years of his business career, he never had a lawsuit. All wish to see him make the success he deserves. At his new home, Wheeling, W. Va., he will engage exclusively in the wholesale trade.

There is Fun There.

Sore hands and sore sides to-day indicate a spectator of the truly remarkable performance of a goodly number of enthusiastic audience at the Grand last night. For over two hours Flint, the genial hypnotist, held his audience spell-bound, much of the time people being upon their feet in their interest and excitement. Encore followed encore and after almost every scene acknowledgment had to be made of the prolonged applause.

Y. M. C. A. OPENING.

The New Building and Improvements Inspected by Many.

Last evening was opening night at the Young Men's Christian Association. A large audience assembled in the hall at 8 o'clock and enjoyed the programme that had been prepared for the occasion. Mr. Myron Hubbard presided. After prayer by Dr. Riker and a song, the Ideal Mandolin Club gave a selection, after which Mr. Hubbard made some appropriate remarks in which he called attention to the new building that has just been completed at a cost of \$5,000, and congratulated the association upon its enterprise.

The Ariel club then gave a fine selection and Miss Anna Pelley followed with a pretty song. These features were followed by remarks by Secretary J. C. Lynch, on the work of the association in the past and hopes for the coming season.

The Ideal and Ariel Mandolin clubs then gave a double selection that greatly pleased the audience. The exercises concluded with the singing of "My Country, 'Tis of Thee."

The remainder of the evening was passed in a social way and in an inspection of the improvements at the building, which include a new addition, where are located the swimming pool and bowling alleys. The bowling alleys are for free use of members. A. Y. M. C. A. bowling league is soon to be organized.

Fair Play Sinks.

The Fair Play is a Big Sandy river packet, brought here by Captain Thomas Thomas to run in the Wheeling and Clarineton trade, during the hot water and while the Jewel is receiving repairs at the Parkersburg docks. Yesterday afternoon she got away from the public landing at 4 o'clock, with a good trip of freight and a number of passengers. All went well until the Bloch's tobacco works landing, below town, was reached. At this part of the river there are several bad snags which the Woodruff failed to remove when she was at work in these waters. The Fair Play was unfortunate enough to run amuck one of these snags, which entered her bottom and sent her to the bottom. Happily the bottom was only about three feet away, so the water did not even reach the lower deck of the boat. The freight was not injured at all and the passengers were sent ashore without trouble. The freight, too, was removed with the aid of the railroad transfer boat, Lizzie Townsend, and it is believed that the sunken boat will be raised in a day or two. The Fair Play is owned by Catlettburg, (Ky.), parties.

Half the fun of life is lost by many people through their neglect of one of Nature's most rigid laws. Nature insists on regularity. People who allow the continuance of any irregularity in their digestive organs soon have to pay the penalty. Free and regular movement of the bowels is the surest sign of good health.

The first question the doctor asks is: "Are your bowels regular?" If not, he gives something to make them so and quite often that is all he needs to do.

Assist Nature occasionally in removing offending matter from the stomach and bowels and you need never be very sick. Remember that assistance don't mean violence. What is needed is a gentle but efficient helper that will work so easily and so naturally that there will be no shock to the system.

Of all the remedies that have been prepared, Dr. Pierce's Pleasant Pellets best fill all the requirements. They are made of refined, concentrated vegetable extracts. One is a laxative, two a mild cathartic. They cure constipation, biliousness, dyspepsia, distress after eating, sour stomach, "heart-burn," dizziness, foul breath and all disorders due to imperfect digestion. Each little vital holds from forty-two to forty-four pellets, and sells at the same price as the more common and cheaper made pills. A free sample package (4 to 7 doses) will be sent on request. Once used, they are always in favor. WORLD'S DISPENSARY MEDICAL ASSOCIATION, 665 Main Street, Buffalo, N. Y.
